

Announcements

It is purposed that the best course of action is to have elections and budget approval moved to December and to extend the election for two groups of trustees moved to December 2022 and December 2023. With the guidance of the Nominating Committee, we will confirm that all nominees are willing to serve and have their name place on the ballot. In order to accomplish this plan, it is necessary that we 1) amend our by-laws, and 2) pass a motion to have elections this year for the group of trustees that were extended for 2021 and suspend elections of the two other groups of trustees each by one year. In addition to electing five trustees, nominations will be made for church treasurer, assistant church treasurer, financial secretary, assistant financial secretary, church clerk, assistant church clerk, four positions to the nominating committee, and financial counters.
